Dear Supporter,

The Spring Lake Heritage Festival Committee (SLHF) is again dedicated to providing an event for our community which promotes bringing our families together for wholesome recreation and entertainment, while also striving to raise funds to support community projects. We achieve this through the Spring Lake Heritage Festival (SLHF). An all-volunteer committee puts on the Festival and all money raised is used to support civic projects in your area.

The festival will run from **June 16th until June 21st, 2009**. We are only funded by festival activities and your support is critical! SLHF thank those of you who have contributed in the past and we are counting on your continued commitment.

This is the only annual project which promotes our community within Western Michigan. It provides a venue for the community to join together for a week of family recreation and events. Please help us make this a success.

Thank you for your consideration and we look forward to placing your organization's name among our supporters. Please visit our web site www.slheritagefestival.com.

Best Regards,

Michele M. Yasenak
